If you are coming from the north:

Heading south on SH1 from Wellsford, drive 17km until you reach the northern outskirts of Warkworth. Take the right turn into Hudson Road just before the A&P showgrounds. Follow this road as it bends around to the left. Shortly after passing Rhoads for Roads you will come to the tall sign: 30 Hudson Road, turn right here and down into the industrial park. Onsite Engineering will be immediately in front of you.

If you are coming from the south:

At Warkworth drive through the town and continue straight on at both sets of traffic lights. After the second set of lights drive for about 2km until reaching the outskirts of the town. You will pass EDI Downer Works on your right and shortly after will be the A&P showgrounds – also on your right. Take the left turn into Hudson Road opposite the showgrounds and follow the road as it bends around to the left. Shortly after passing Rhoads for Roads you will come to the tall sign: 30 Hudson Road, turn right here and down into the industrial park. Onsite Engineering will be immediately in front of you.
